

Life Savings Insurance

When you let go of the bike, you knew he was ready. Now you can relax and let him enjoy the ride, confident that no matter what happens, we will ensure that you or your family members receive up to double the value of your Credit Union savings.² That way, if you were to become dismembered due to an accident or pass away, you and your family will be able to keep going more comfortably.

Life Savings Insurance is the perfect solution for all **who care**. It provides you with coverage that increases with your savings in the Credit Union.

Benefits & Special Features:

- The more you save, the more insurance coverage you receive.
- You are insured in the event of death (natural or accidental) or dismemberment.
- You enjoy additional insurance coverage at no direct cost to you.
- The maximum coverage is subject to your Credit Union's contract limit.
- You or your family will receive up to double the value of your Credit Union savings.²

Termination/Cancellation of Coverage:

- Coverage may be terminated by CUNA Caribbean Insurance OECS Limited and by your Credit Union, as outlined in the terms and conditions of the policy.

Get the most out of your money when you save with your Credit Union. Start saving now and you'll spend less time worrying about the future.

The information provided in this brochure is only a brief description of the insurance coverage. For complete details, including limitations and exclusions of coverage please contact your Credit Union. Conditions apply. ¹ This special feature is subject up to the coverage amount first elected by your Credit Union. ² Subject to your Credit Union or Life Savings provider's coverage limit.
